## **County Government Expenditures – FY 2018**

Per Capita by County from All Funds

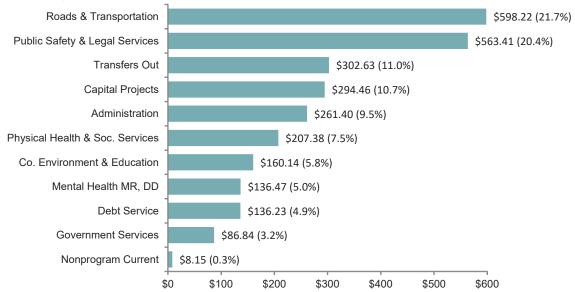

Statewide Average: \$1,260

## Per Capita Expenditures \$432 - \$750 \$751 - \$1,000 \$1,001 - \$1,500

## \$1,501 - \$2,000 \$2,001 - \$3,124

## County Expenditures by Function and Percent of Total – FY 2018

Total: \$2,755.32 (in millions of dollars)

Note: Per capita expenditures are calculated by dividing a county's total expenditures by the 2015 estimated population. There is a negative relationship between county size (either total expenditures or population) and per capita expenditures. That is, the larger counties spend less per person for county government service; this can be attributed to economies of scale.
